FLG has 1 team in each age group to ensure quality play and coaching. This gives us an opportunity to develop each player, team, and eventually guide families through the recruiting process.

You are joining a **Lacrosse Program**, not a lacrosse team.

Experienced Coaching.

Teams include 2 experienced lacrosse coaches at practices, training sessions, and during game play. Never will you show up at a practice with someone who doesn't know the FLG Training Methodology or someone you don't know. Additionally, players will train with FLG's full-time Directors throughout the year. Our goal: Get the best training and get better every time you step on the field.

We are 24/7.

FLG is one of the only Programs in the sport of lacrosse that has a full-time staff on call 24/7. If you call us, we'll pick up. Send us an email, we'll reply. Shoot us a text, we'll get back. FLG is on call to give your family a great experience throughout the year.

Spread your love for the game.

Through FLG's Lax4all Program, we offers numerous lacrosse related Community Service opportunities to FLG Select Team members. Come put a stick in a child's hands for the first time, help set-up fields at a free clinic, or donate your time to those in need. Help FLG spread the game to all.

Steps to greatness.

Every FLG Select player will receive a year-end typed evaluation from their coach. Use those evaluations to prepare for next years tryouts, elevate your game, develop your leadership skills, and get motivated to be the best you can be.

FLG Club Directors have **1 on 1 meetings** with every family in the program who've initiated the recruiting process.

You are joining a **Lacrosse Program**, not a lacrosse team.

Graduate.

Alumni from the FLG select teams have been invited to play at and attend some of the most prestigious universities and colleges in the country. Our Alumni give back to the FLG Program by attending our Recruiting nights, working FLG related events, mentor students in the current FLG Program, and serve as positive role models for the future stars in the sport.

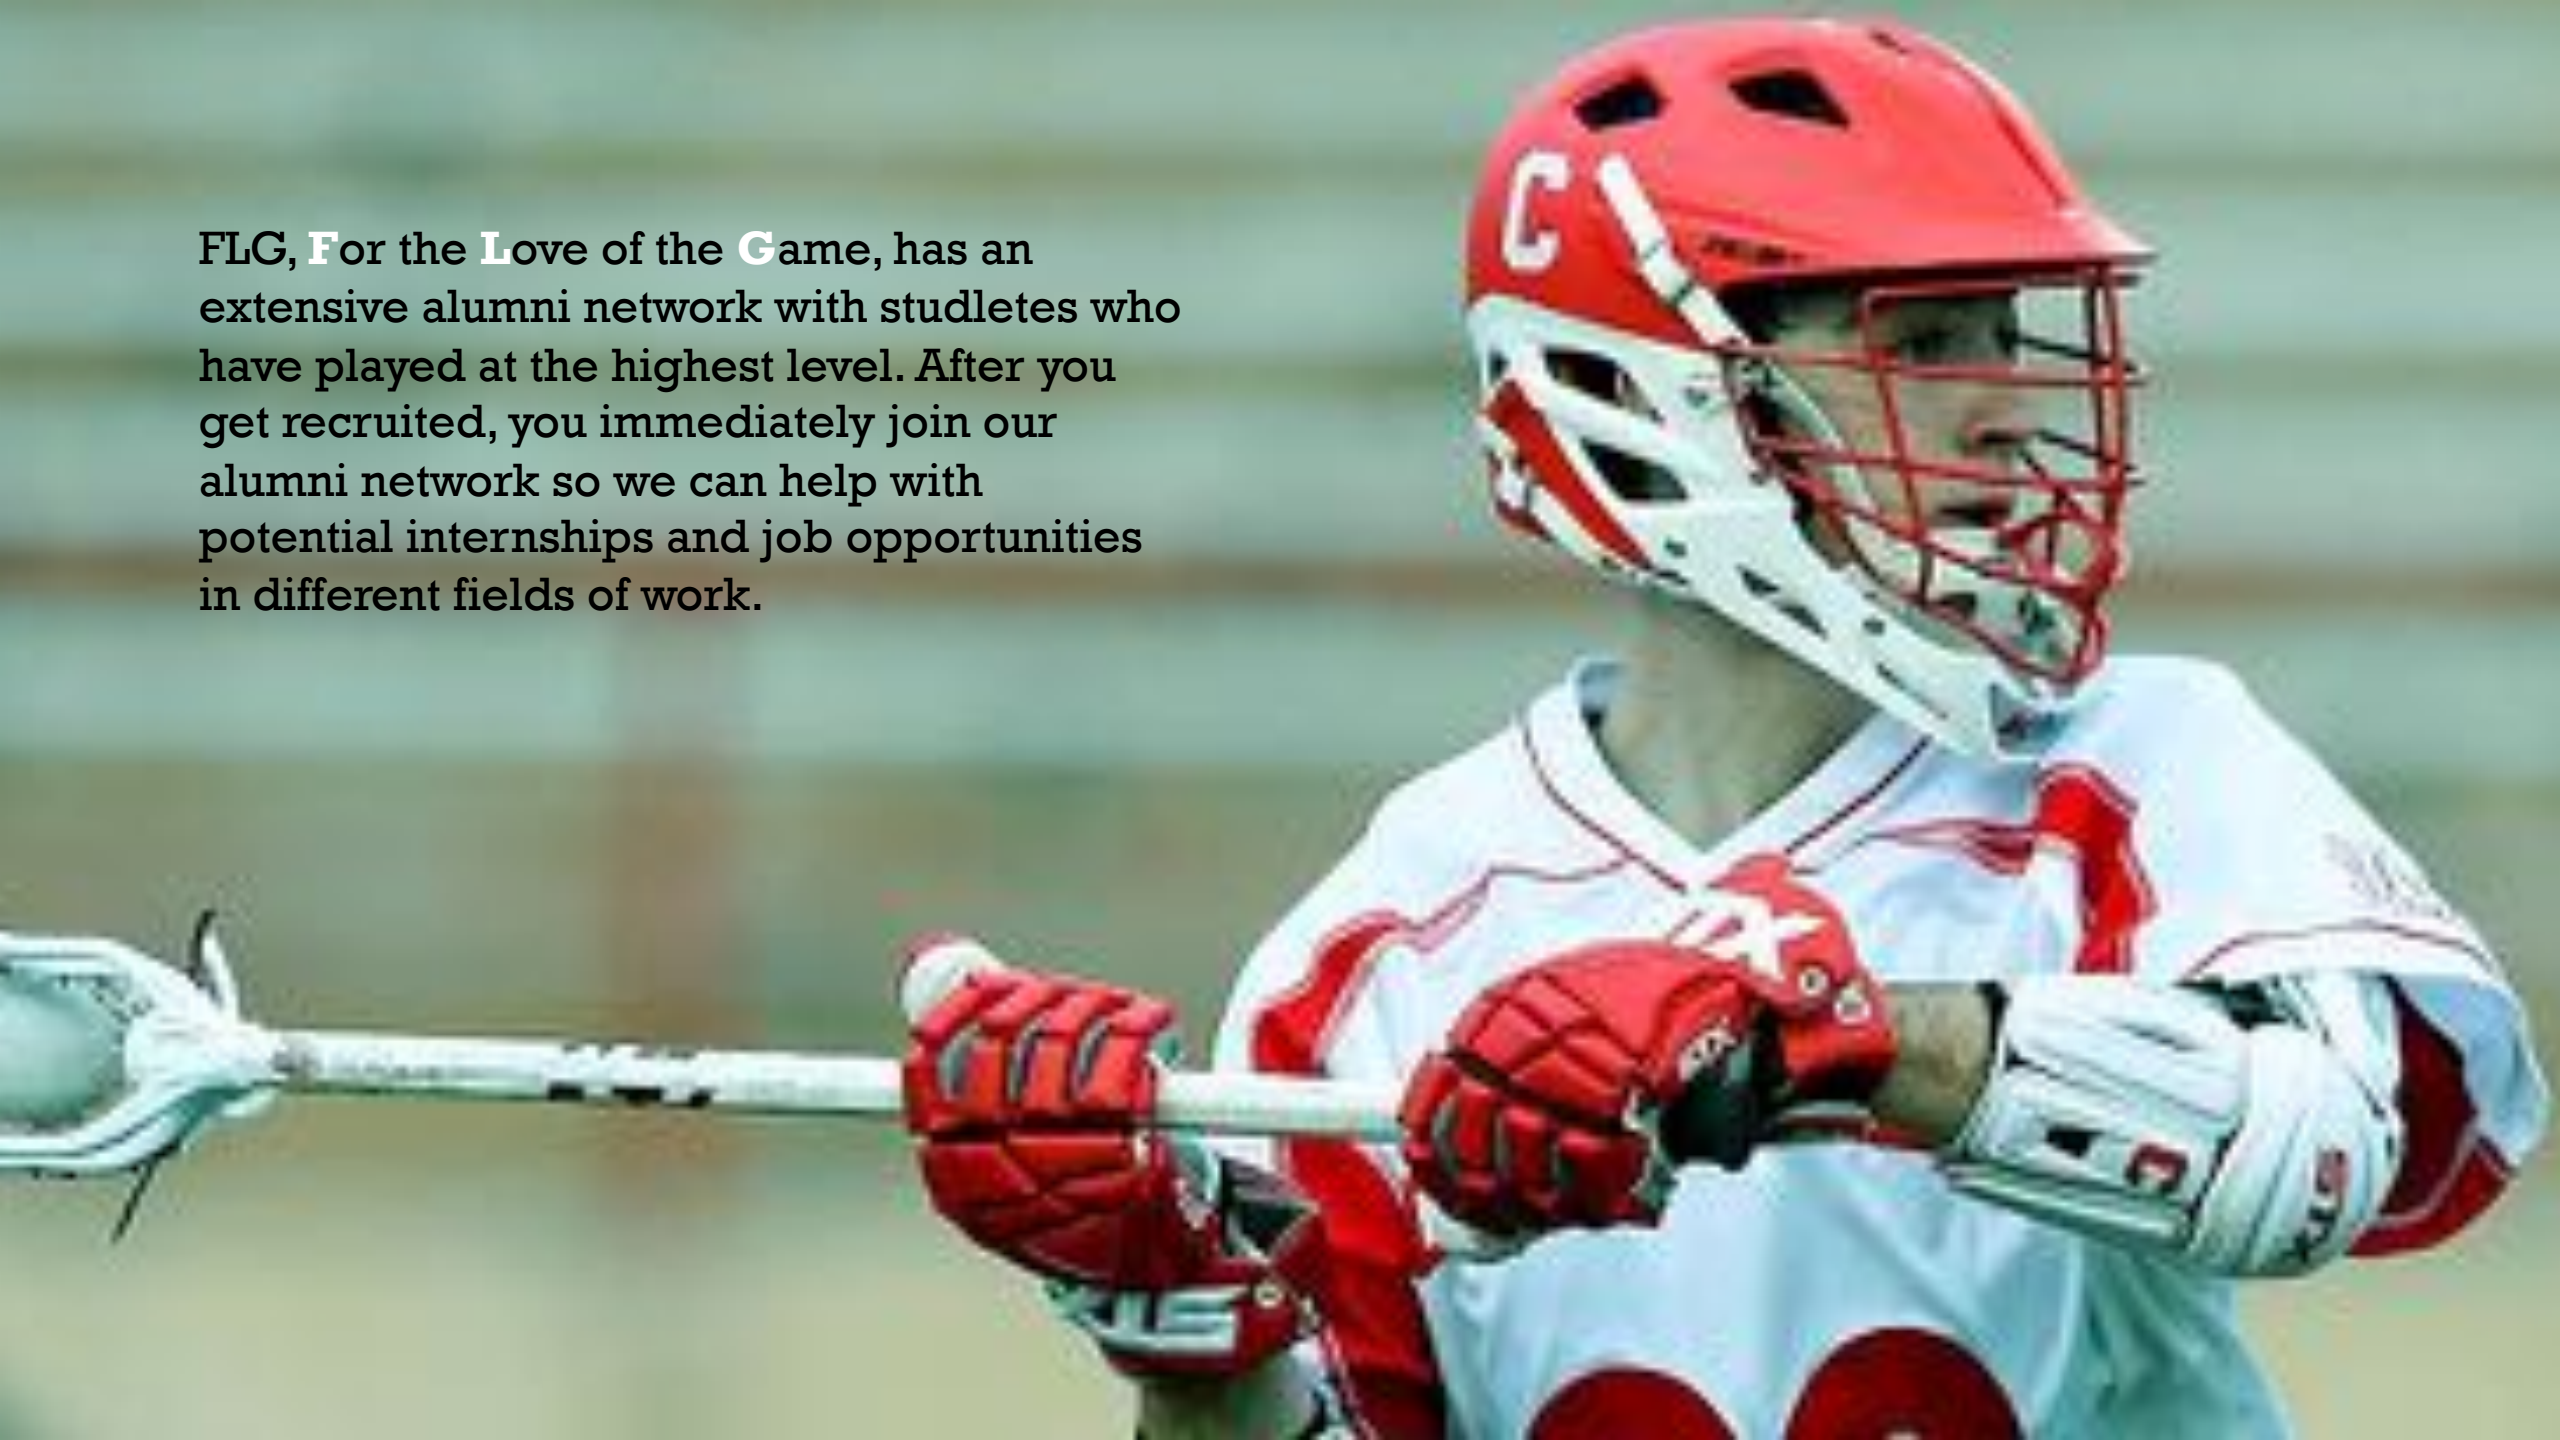

All for one and one for all.

FLG's goal is for every player to receive equal playing time. If you are dedicated to FLG's year round schedule, work hard at each FLG related event, then you will play just as much as your team members. We want all members of the team to support all individual members of that group. We practice together, we play together, we compete together.

Play FLG. Get Recruited.

Every FLG Select Player, ages 8th grade and up, will receive a yearly membership to lacrosse recruits, the ultimate online recruiting platform in the sport. Players will receive complimentary recruiting assistance and guidance throughout the recruiting process. Additionally, FLG attends and **hosts** the top individual/team recruiting showcases in the nation.

FLG, **F**or the **L**ove of the **G**ame, has an extensive alumni network with studletes who have played at the highest level. After you get recruited, you immediately join our alumni network so we can help with potential internships and job opportunities in different fields of work.
